**Club targeted meets will be attended by a coach. Other meets are optional meets, if you cannot attend a targeted meet.**

**Meets can close before the deadline, so register early. When you register for a meet, you are committing to volunteer for timekeeping duties etc. if necessary.**

**Please discuss competitions and events with your coach prior to registering. Your coach will hand out a meet sheet with highlighted events that you should register for.**

**All National Development, State and Junior State squad members are requested to enter 3 of their targeted meets. From these 3 meets it is highly encouraged that all swimmers in these squad levels enter the 2018 Metro Short Course Competition, primarily to gain further race experience or/and as a dress rehearsal for the upcoming Victorian Short Course Championships.**

**Emerging squad members are requested to enter 2 of their above targeted meets. The Metro Short Course is considered a priority for those seeking and wishing to gain experience by competing at a Championship Meet.**

**Development and Swim FIT squad members are offered 2 targeted meets, where attendance is optional. In the case of Development Squad members, some may be asked by your coach to compete at the 2018 Metro Short Course Competition.**
